Copies of the listed documents were previously submitted by applicants or cited by the Examiner in a prior application Serial No. 10/188,889, filed July 5, 2002, upon which applicants rely for the benefits provided in 35 U.S.C. § 120. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
